

Quality Policy

At Weybridge Skip Hire Ltd we are to comply with legal, statutory and customer requirements and all applicable industry standards.

In a competitive environment, we acknowledge that we must do more than just satisfy the customer by striving for a consistently high standard which highlights to our customers that we are reliable, trustworthy and conscientious.

We shall establish clearly understandable and measurable quality objectives that comply with this policy and communicate these to all staff and ensure that they are monitored and systematic reviewed on a periodic basis by management.

We are pledged to continually improving the effectiveness of the Weybridge Skips Hire Ltd Management System.

Measures shall be adopted to ensure that this quality policy is communicated and understood within the organisation via the mandatory company induction process.

Senior Management will review this policy periodically to ensure its continued appropriateness to the organisation as part of the annual Management Review process.

Signed on behalf of Weybridge Skips Hire Ltd.
