Terms & Conditions

General

1.1 Any order placed with Weybridge Group Services Limited which takes its vehicles off the public highway will be at the customer's own risk, they will accept full responsibility for any consequential damage that may occur to persons, property or vehicles as a result of this. This includes gates, walls, paving slabs, tarmac, trees, hedges etc.

1.1A Customers should be aware that damage could occur when vehicles are instructed to leave the public highway. It is unlikely that private driveways are constructed to take the weight of a loaded skip lorry, so there is a probability that damage could occur when the vehicle comes onto the property. Access to domestic property is not normally of a width to allow easy access for a large vehicle therefore when manoeuvring some damage could occur to property. Employees are trained to and will take every precaution to avoid any damage, as detailed in condition 1.1 of our T&Cs, the Company will not accept liability for any damage caused when delivering or collecting containers that are not on the public highway.

1.2 Weybridge Group Services Limited will not be liable for any loss or damage caused by failure to supply or any delay in supply which may be caused directly or Indirectly by any circumstances beyond our control, including an act of God, fire, accident, breakdown of machinery, shortage of labour or material, or by an act of neglect on the part of the customer.

1.3 The time allowed for loading/unloading is 15 minutes. If the vehicle is kept waiting longer than this, Weybridge Group Services Limited reserves the right to charge waiting time.

1.4 Weybridge Group Services Limited reserves the right to charge the customer for all costs incurred as a result of a cancellation or variation of the whole of substantial part of an order, together with loss of profit and all other consequential loss.

2

2.2 It is the responsibility of the hirer to ensure that skips placed on the highway or public places have the permission of the local highway authority and are adequately lit and coned off in accordance with the Highways Act 1980.
Weybridge Group Services Limited can organise permits and lights at an additional cost to the hirer.

2.3 The hirer shall ensure that the skip is not overloaded by weight or by volume at the point of collection. The hirer will be liable for any loss or damage to the skip container (excluding fair wear and tear) during the term of the skip hire period and will be charged the current purchase price of the skip. Once a skip has been placed, it shall not be repositioned without prior consent from Weybridge Group Services Limited. Moving skips on site could result in inability to collect the skip, which will incur transport charges for a failed collection.

2.5 The maximum rental period is 14 days for "cash" customers and 28 days for "Account" customers. It is the responsibility of the hirer to request the collection within this time.
